|                                              | API Gravity: Between 37 degree – 42 degree                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Due Date Rate<br>(Final Settlement<br>Price) | Due date rate (FSP) shall be the settlement price, in Indian rupees, of the<br>New York Mercantile Exchange's (NYMEX)# Crude Oil (CL) front month<br>contract on the last trading day of the NSE WTI Crude Oil contract. The last<br>available RBI USDINR reference rate will be used for the conversion. The<br>price so arrived will be rounded off to the nearest tick.<br>For example, on the day of expiry, if NYMEX Crude Oil (CL) front month<br>contract settlement price is \$75.40 and the last available RBI USDINR<br>reference rate is 82.7150, then DDR for NSE WTI Crude oil contract would<br>be Rs. 6237 per barrel (i.e. \$75.40 * 82.7150 and rounded off to the nearest<br>tick).<br>#A market division of Chicago Mercantile Exchange Inc. ("CME Group") |
| Settlement                                   | The contract would be settled in Cash                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Mechanism                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

### Contract Launch Calendar

## (For the contracts expiring in 2023)

| Contract Month | Contract launch date       | Contract expiry date            |
|----------------|----------------------------|---------------------------------|
| June 2023      |                            | 16 <sup>th</sup> June 2023      |
| July 2023      |                            | 19 <sup>th</sup> July 2023      |
| August 2023    | 15 <sup>th</sup> May 2023  | 21 <sup>st</sup> August 2023    |
| September 2023 |                            | 19 <sup>th</sup> September 2023 |
| October 2023   |                            | 19 <sup>th</sup> October 2023   |
| November 2023  | 22 <sup>nd</sup> May 2023  | 17 <sup>th</sup> November 2023  |
| December 2023  | 19 <sup>th</sup> June 2023 | 18 <sup>th</sup> December 2023  |

### (For the contracts expiring in 2024)

| Contract Month | Contract launch date | Contract expiry date |
|----------------|----------------------|----------------------|
| January 2024   | July 2023            | January 2024         |
| February 2024  | August 2023          | February 2024        |
| March 2024     | September 2023       | March 2024           |
| April 2024     | October 2023         | April 2024           |
| May 2024       | November 2023        | May 2024             |
| June 2024      | December 2023        | June 2024            |
| July 2024      | January 2024         | July 2024            |
| August 2024    | February 2024        | August 2024          |
| September 2024 | March 2024           | September 2024       |

\* The specific dates of launch and expiry will be announced before the launch of 2024 contracts based on the announcement of the holiday list of NYMEX (CME Group).

\* The launch calendar may undergo some changes based on the announcement and revision in the holiday list of NSE and NYMEX (CME Group) respectively.

Kindly refer latest circular issued by Exchange / Clearing Corporation for updated Margins, Position Limits and Expiry Dates etc.

| TickSize(MinimumPriceMovement)               | ₹ 0.10 (10 paise)                                                                                                                                                                                                                                                                                                                                                                                                         |
| Daily Price Limit                            | The base price limit shall be 6%. In case the daily price limit of 6% is breached, then after a cooling off period of 15 minutes, the daily price limit will be relaxed upto 9%. In case price movement in international markets is more than the maximum daily price limit (currently 9%), the same may be further relaxed in stages of 3% beyond the maximum permitted limit and informed to the Regulator immediately. |
| Initial Margin                               | Minimum margin based on volatility category or based on SPAN whichever is higher.                                                                                                                                                                                                                                                                                                                                         |
| Extreme Loss<br>Margin                       | 1%                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Additional and / or<br>Special Margin        | In case of additional volatility, an additional margin (on both buy & sale position) and/ or special margin (on either buy or sale position) at such percentage, as deemed fit; will be imposed in respect of all outstanding positions                                                                                                                                                                                   |
| Maximum<br>Allowable Open<br>Position        | For a member collectively for all clients: 6,00,00,000 mmBtu or 20% of the market wide open position, whichever is higher.                                                                                                                                                                                                                                                                                                |
|                                              | For individual clients: 60,00,000 mmBtu or 5% of the market wide open position, whichever is higher.                                                                                                                                                                                                                                                                                                                      |
| Quality<br>Specifications                    | Natural Gas meeting the specifications set forth in the FERC approved tariff of Sabine Pipe Line Company.                                                                                                                                                                                                                                                                                                                 |
| Due Date Rate<br>(Final Settlement<br>Price) | Due date rate (FSP) shall be the settlement price, in Indian rupees, of the New York Mercantile Exchange's (NYMEX)# Natural Gas (NG) front month contract on the last trading day of the NSE Natural Gas contract. The last available RBI USDINR reference rate will be used for the conversion. The price so arrived will be rounded off to the nearest tick.                                                            |
|                                              | For example, on the day of expiry, if NYMEX Natural Gas (NG) front month contract settlement price is \$6.935 per mmBtu and the last available RBI USDINR reference rate is 82.7150, then DDR for NSE Natural Gas contract would be Rs. 573.60 per mmBtu (i.e. \$6.935 * 82.7150 and rounded off to the nearest tick.)                                                                                                    |
|                                              | #A market division of Chicago Mercantile Exchange Inc. ("CME Group").                                                                                                                                                                                                                                                                                                                                                     |
| Settlement<br>Mechanism                      | The contract would be settled in Cash                                                                                                                                                                                                                                                                                                                                                                                     |
