Subject: New Enhancements in NSDL SPEED-e Mobile App

Participants are familiar with the range of features offered by NSDL SPEED-e Mobile App for clients. These include viewing of demat account holdings with their values, participating in e-Voting, confirming margin pledge initiation and Off-Market Instruction (secured by OTP), managing nomination preferences (opt-in/opt-out), nominating online, etc. Moreover, clients with authorization from Participants can submit electronic delivery and mutual fund redemption instructions.

New enhancements in NSDL SPEED-e Mobile App**1. Client Master Report (CMR):**

NSDL SPEED-e Mobile App now enables clients to conveniently download digitally signed Client Master Report online.

2. Download of NSDL e-CAS:

NSDL SPEED-e Mobile App now offers a seamless way for clients to access their NSDL Consolidated Account Statement (NSDL e-CAS) for the past twelve months. This service simplifies the retrieval process and enhances client convenience. Participants are encouraged to inform their clients about the expected timing of receiving the NSDL e-CAS, as outlined below:

- (a) Monthly Dispatch: Clients (except BSDA clients) who have conducted any transactions in their demat account or mutual fund folio during the month will receive the NSDL e-CAS.
- (b) Quarterly Dispatch (March, June, September, and December end): BSDA clients with transactions in their demat account or mutual fund folio during the quarter will receive the NSDL e-CAS.
- (c) Half Yearly Dispatch (September end and March end): Clients without transactions but with balances in their demat account or mutual fund folios will receive the NSDL e-CAS.
- (d) Yearly Dispatch (March end): Clients with no transactions or balances in their demat account or mutual fund folios will receive the NSDL e-CAS.

3. Enhanced e-Voting:

The e-Voting feature has been enhanced to enable all demat account holders to conveniently cast their votes through the NSDL SPEED-e Mobile App, regardless of the e-Voting Services Provider (ESP) chosen by the Issuer. Clients can now access the e-Voting pages of different ESPs directly via the NSDL SPEED-e Mobile App using a single sign-on (SSO) process. This enhancement, which was previously available on IDeAS Web, has now been seamlessly integrated into the NSDL SPEED-e App.

NSDL SPEED-e Mobile App can be downloaded from the following link or QR code:

1. Android Play store: NSDL SPEED-e App [NSDL SPEED-e App - Apps on Google Play](#)

2. App Store IOS- [NSDL SPEED-e App](#)

Participants are encouraged to share the above information with your clients for their awareness and convenience.
