INTRODUCTION

Philosophy and Objective

Corporate Social Responsibility (CSR) is the type of social responsibility integrated into a business model. CSR goes beyond compliance and engages in actions that appear to further some social good, beyond the interests of the firm and that which is required by law. CSR is a process with the aim to embrace responsibility for the Company's actions and encourage a positive impact through its activities on the environment, consumers, employees, communities, stakeholders and all other members of the public sphere who may also be considered as stakeholders.

The Company is committed to economic, social, environmental and cultural growth of the underprivileged in an equitable and sustainable manner in the peripheral areas around its corporate office and branch offices. All CSR projects will be in line with the CSR vision, as well as areas listed in Schedule VII of the Companies Act, 2013. It will not include the activities undertaken in pursuance of normal course of business of the Company, projects benefitting the employees of the Company (as defined in clause (k) of section 2 of the Code on Wages, 2019 (29 of 2019) and as amended from time to time), or contributions of any amount directly or indirectly to any political party. The CSR activities will not include activities supported on sponsorship basis for deriving marketing benefits for its products or services or activities carried out for fulfilment of any other statutory obligations under any law in force in India.

This Policy has been formulated and adopted by the Board of Directors at its meeting held on 9th February 2023. The terms, rules and regulations mentioned in this policy are as per Companies Act, 2013 and rules made thereunder. The Board may amend or modify this CSR Policy as and when necessary.
